

Wings Thanksgiving Party - Eagle Scout Project

St. Andrew's Episcopal Church

Las Cruces, NM

November 15, 2003

I came to the Wings Party today because:

1. I was a helper.
2. I wanted to be with people that care.
3. Our friend Olga brought us.
4. Because I like it.
5. I volunteer.
6. Because I wanted to see Sage. (5 year old sister Aisa)
7. It's a great way to share Christ's love.
8. I like being with the families.
9. I wanted to experience a party at Las Cruces.
10. I volunteered to help and learn about God. (Little child.)
11. I love Wings Parties.
12. So we didn't have to make dinner. (Child guest.)
13. I came to the Wings Party today so we cud (could) have fun. Anthony
14. I wanted to know how Wings works.
15. I go to all the Wings Parties.
16. My sister and our friend told us to come that it would be fun.
17. Our (best) friend Olga invited us.
18. I wanted to help my son Sage to make this a success.
19. I was asked to come. I wanted to see what a Wings Party was.
20. Grace/Sage asked me.
21. I didn't want to miss out on something new. My brother has been in prison, and I myself have been in and out of jail different times. This sounded very interesting to find out more.
22. My sister, Grace (Sage's mom) made me come!
23. They are fun and good to make contacts with others in the same "boat".

The highlights of the party for me were:

24. The play!
25. No one is excluded.
26. Was fun.
27. The people that showed up.
28. The storytime/skit.
29. Talking with people, hanging out with kids.
30. Very interesting and I really enjoyed being here. Thanks to everyone.
31. The Bible story and the crafts.
32. The games.
33. The Bible study play and interacting with the kids.
34. Pizza, Cookies & juice.
35. Thanks for the food.

36. The Bible study was fun.
37. The whole entire thing.
38. Seeing the families who came, and especially the smiles on the kids as we did crafts.
39. When we made cookies. (4th grade boy)
40. I liked everything.
41. Talking to our guests and participating in the "dramatization" of the Bible story.
42. Sharing Christ with Alicia and see Christ shared.

Wings Parties should be held in prisons because:

43. It comforts others.
44. It ministers to hurting families and the inmates.
45. There is such a need to meet families right where they're at.
46. So prisoners could access it better.
47. They are a bright spot in otherwise very dark days.
48. God bless them.
49. It would make the inmates happy.
50. It will help the inmates and get happy.
51. It will really help the inmates and they will really enjoy it.
52. The support is needed for the families.
53. It can open the hearts of the families of their loved ones in prison.
54. It meets a need.
55. When the guests came in the door.

I appreciate the Guideposts Magazines & sweaters and materials from Focus on the Family because:

56. It's a great way to make people happy.
57. We appreciate your helpfulness and generosity.
58. Thank you for the good day and the fun crafts. Alfredo
59. This is a wonderful experience, watching volunteers and families interacting together and having fun. It was incredible. God was truly in this place!
60. You are wonderful!
61. This was such a blessing!
62. I hope and pray that they can continue the good work.
63. Please continue to support us.
64. What a good idea to make sweaters!
65. That they were good.
66. Thanks for the craft things you do.
67. May God bless you guys and thank you very much!
68. Keep up the good work.
69. ...and they probably hear many wonderful stories about what good things they have helped to happen. But only God knows how many good things they have helped to happen that they will never hear about - this side of Heaven, anyway!
70. God bless them for all they do, and please pray for my family and myself. I will pray for you all. Muchas Gracias!
71. Appreciate the concern for people.
72. I hope this type of party can continue.
